Work experience

2024 – Currently
Arcan | Trzcianka

IT Specialist

My responsibilities include graphic design using CorelDRAW as well as technical support, including diagnosing and resolving issues related to computer hardware and network infrastructure.

2022 – 2024
Hydro | Trzcianka

Machine Operator

I was responsible for operating bending machines and milling machines, precisely setting them up for bending, introducing adjustments to optimize production processes, and performing basic repairs.

2021 – 2022
Randstad | Trzcianka

Production Worker

As a production worker, I was responsible for operating machines, assembling profiles for anodizing, and packing finished products.

2020
JKL Computers – Internship | Trzcianka

IT Service Technician

I was responsible for customer support as well as diagnosing and repairing issues related to computers, laptops, and mobile phones. Additionally, I worked on creating computer networks for retail stores, installing and configuring systems and devices, and assembling computers to ensure optimal hardware performance.

2020
JKL Computers – Apprenticeship | Trzcianka

IT Service Technician

I handled customer support and troubleshooting hardware and software issues for computers, laptops, and mobile phones. I was also involved in network setup for stores, system and device configuration, and computer assembly.

I agree to the processing of my personal data for the needs necessary to carry out the recruitment process (in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (GDPR)).
